

## Coronation

10hpi - 14" x 14" (35cm x 35cm)

To help you order wools, this chart gives an indication as to the amount of wool required to stitch this design.

|    | Appletons | Anchor | Metres Required |
|----|-----------|--------|-----------------|
| 1  | 553       | 8098   | 12              |
| 2  | 474       | 8134   | 6               |
| 3  | 476       | 9536   | 2               |
| 4  | 353       | 9074   | 5               |
| 5  | 403       | 9020   | 7               |
| 6  | 405       | 9180   | 2               |
| 7  | 321       | 8878   | 1               |
| 8  | 324       | 8720   | 1               |
| 9  | 452       | 8526   | 1               |
| 10 | 456       | 8492   | 21              |
| 11 | 501       | 8200   | 14              |
| 12 | 504       | 8442   | 11              |
| 13 | 993       | 9800   | 1               |
| 14 | 963       | 9790   | 1               |
| 15 | 221       | 8344   | 26              |
| 16 | 752       | 8502   | 20              |
| 17 | 753       | 8394   | 19              |
| 18 | 991B      | 8000   | 2               |
| 19 | 822       | 8690   | 1               |

We match all our designs to the excellent Appletons Wool Range and give a conversion to Anchor Wools. The Anchor Wools shade range is not as extensive as Appletons, so some shades may not match exactly.
