To help you order wools, this chart gives an indication as to the amount of wool required to stitch this design.

	Appletons	Anchor	Metres Required
1	725	8312	38
2	443	8168	18
3	433	8986	26
4	485	485	73
5	555	8120	24
6	877	8812	35

We match all our designs to the excellent Appletons Wool Range and give a conversion to Anchor Wools.

The Anchor Wools shade range is not as extensive as Appletons, so some shades may not match exactly.
